Sub: Application to join the 2nd cohort of Satat Shikshak Samudaya (State wide community of Sustainability Educators) 2024.

Sir,

This is in reference to the Letter No No. STC/(7)-EE-NGC(6)-1695-1706 Dated: 05/1/2024, HP Council for Science, Technology & Environment which is acting as a State Nodal Agency of Environment Education Programme(EEP) regarding the subject cited above. The Himachal Pradesh Council for Science, Technology & Environment (HIMCOSTE) in collaboration with Earth Just Foundation is implementing the Sustainability Education and Climate Action Program- **Satat Shikshak Samudaya** successfully in the State to strengthen the Environment Education Program. The program aims to create a Satat Shikshak Samudaya - a Community of Sustainability Educators, dedicated to simplifying complex concepts for a seamless transition away from textbooks in both our schools and community, fostering the development of Sustainable Citizens. This community will help strengthen the **NGC- Eco club program**.

The objective of the programme is to "**re-cultivate a culture of sustainability in Himachal**", in other words give the State of Himachal Pradesh Sustainable Citizens, who can make Himachal the most Sustainable State - Ecologically & Economically. In this regard this year the 2nd cohort of Satat Shikshak Samudaya has been started, the steps to join the program are as follows:

Step1 Apply for Samwaad: **Click Here to Register:** https://sprw.io/stt_v3gJeZLvWz31Fsk29qc3pU (Samwaad is a 2- Hour space, where we discuss the Joy in Sustainability, the power of educators as change-leaders and the program)

Step2 Join our WhatsApp Group: <https://chat.whatsapp.com/CRblgIl6tCtC8HeIIqwjph>

Step3 Get selected & go on a 4-stage journey with us- *Samwaad to Sanyukt to Saksham to Samudaya*

The aforesaid programme's orientation will be online. The applications are opened till 15th January 2024. Though this is **not mandatory** for all educators/ Eco Club In charges, only that educators/Eco club in charges who is passionate to work differently can join this programme to re-cultivate a culture of sustainability in Himachal Pradesh.
