2. All DPOs - cum DIET Principals
Himachal Pradesh

Subject: Instructions for conducting Summative Assessment (SA-I) for Elementary Classes through online or any other mode.

Sir/Madam

In response to the COVID 19 situation, Government of Himachal Pradesh has launched online Learning program 'Har Ghar Pathshala' to ensure continuity of students learning from home. In order to assess the learning level of all the students enrolled in the elementary classes, it has been decided to conduct SA-I. For the smooth conduct of these assessments, it is directed that:

- School heads should conduct SA-I by providing assignments through online mode or any other mode whichever is suitable according to the present situation. It should be ensured that students who are not connected online due to no internet connectivity or do not have smart phones should also be covered through hard copies of assignments.
- The assignments (50 Marks each) will be prepared by concerned teachers. Har Ghar Pathshala daily assignments, question banks and SA-I syllabus as prescribed for previous years should be referred while preparing SA-I assignments.
- Photo of the assignment through mobile phones or hard copy should be provided to the students as per enclosed date sheet. After completing the assignment on the note book/ sheet, the students will take a picture of it and send it to the teacher. The hard copy of the assignment will also be submitted by parents/guardians and collected by schools. The collected assignments will be checked by the teachers and the record of the assessment will be maintained in school records.
- It is also advised to complete this assessment process in all respects (preparation of assignment, evaluation and record maintaining etc.) on or before 17th of October, 2020.
- BEEO, BRCCs, CHTs and School Heads will ensure that SA-I assessment work is conducted properly and all the students belonging to the schools must be covered in this process.

Director Elementary Education
Himachal Pradesh, Shimla-1.
