Ministry of Panchayati Raj has issued detailed guidelines for preparation of Gram Panchayat Development Plan in 2018. It lays emphasis on convergence among available schemes and resources over which the Gram Panchayats have command. The guidelines have also laid down the role of Panchayati Raj Institutions in Samagra Shiksha and Mid-day Meal scheme. Reference is also invited to funds available for providing drinking water systems, hand wash facility and toilets in schools.

2. Additionally, the Ministry of Panchayati Raj has included 100% student attendance and learning outcomes, Higher Secondary facility for girls, Adequate School infrastructure with Sports facility and Adult Education as deliverables under GPDP.
3. Further, the Gram Panchayats may take the lead in convening meetings with the Parent Teacher Associations of schools and the Village Education Committee and put in place proper arrangements for regular cleaning of the school toilets and for disposal of solid and liquid waste generated in the schools; and may support such activities.
4. In order to strengthen the demand side, Parent Teacher Associations may be asked to approach the Gram Panchayats and indicate the need for proper water supply and sanitation systems as their priority and also raise this in Gram Sabhas.

With regards

Yours sincerely
