Office of the

Dy. Director Elementary Education.

Una, Distt. Una (HP)

Dated: 22/03/2021

To

The Principal/Headmaster/Incharges of
GSSS/GHS/GMS (Having Eco-clubs)
In Distt.Una(HP)

Subject:- Regarding Celebration of World Water Day on 22nd March 2021.

Madam/Sir,

With reference to subject cited above, you are requested to observe world water day'21 in your school on 22nd of March 2021 by involving the Eco Club member students and science faculty members.

The theme this year as decided by the U.N.E.P. is –“VALUING WATER”.

In this connection awareness be brought among all the students and in turn the people at large, to have a proper understanding of water's true, multidimensional value.

The main focus area should be Water Harvesting, for which already the P.M.O. has emphasized.

Therefore it is requested that the following activities may be undertaken: Science faculty members to explain the concept and share ideas on Water Harvesting and may show some videos on the techniques either in the school ,to the students present off the line or ON LINE to the students ,who attend classes from home.

Students along with the teachers, may even move out in the public places (ONLY IF IT'S SAFE) to make the locals aware about Valuing Water.

Photographs and press Clippings of the activities undertaken on this occasion be shared ddee-una.hp@nic.in (At the most 5 Photos/Press Clippings be shared).
