This renowned event aims to nurture language skills, enrich vocabulary, and encourage healthy academic competition among students worldwide.

The International Spell Bee Competition 2024 is scheduled to take place online on October 15th, 2024, and October 25th, 2024. The exam will be conducted in multiple slots for flexibility, with each participant having 60 minutes to complete the examination, comprising two sections: Spell Bee (55 minutes) and an Audio Round (5 minutes). The exam format includes Multiple Choice Questions (MCQs) and will be proctored online, requiring a compulsory webcam on every laptop/desktop/mobile phone. Students can attempt the exam from the school computer lab or from home. To aid preparation, a mock test and downloadable PDFs are available on our website.

The top 3 students from classes 2-8 will be honoured with the Scholar's Trophy and Merit Certificate. Additionally, top performers, based on percentiles, will receive Gold, Silver, or Bronze Medals. Schools with more than 25 students in a class participating in an Olympiad exam will be eligible for the Medal of Excellence and a Merit Certificate. Every participant will receive a detailed performance report and a Digital Participation Certificate. Schools with over 25 participants will receive a Trophy for Academic Excellence.
