Conducting of Online Teacher Needs Identification

Sir/Madam,

प्रारम्भिक शिक्षा निदेशालय

17 MAY 2018

शिमला - 1

In order to understand the training needs of teachers in Himachal Pradesh, the Directorate of Elementary Education has organised an Online Teacher Needs Identification survey to be conducted between 19th May and 24th May, 2018. It is a 10 minute survey that each teacher must complete independently and honestly. This survey can be accessed at the link - <http://bit.ly/TeacherNeedsIdentification>. Therefore all the Deputy Directors are requested to circulate this survey amongst all JBT, C&V, TGT, HT and CHT teachers in their district. Block and District wise completion of the survey will be monitored and non-performing Districts will be noted. This is an important task towards understanding the needs of the teachers such that they can be better supported, as well as to determine which teachers are interested in training. Please ensure all teachers in your district has completed the survey by 24th May, 2018.

This may be treated as most urgent and time bound matter please.
