Sub: Hon'ble Supreme Court directions regarding bursting of crackers on Diwali  
Compliance of Noise limits for firecrackers and Air Quality standards.

Sir,

It is evident that there is an increasing trend of air and noise pollution in the State during the festival season especially during Diwali, due to bursting and indiscriminate use of firecrackers, thereby contributing towards rising levels of air and noise pollution. In this regard, I have been directed to request you to issue directions to all the Principals/Head\*Masters of Schools/Collages to educate students about the harmful effects of air pollution and noise pollution and not to burst firecrackers between 10 P.M. to 6 A.M. and at all time in the Silence Zone.

Yours sincerely
