Subject: Strengthening of Eco-club activities by undertaking Innovative Environmental projects in the Eco club schools/colleges of H.P.

Madam/Sir

Himachal Pradesh Council for Science, Technology and Environment, (HIMCOSTE) as a Nodal Agency for the NGC-Eco Club programme has got established 3100 Eco Clubs in schools and colleges of the State. To strengthen the activities of the Eco Clubs the HIMCOSTE has invited project proposals from the eco clubs to undertake different environment activities. The objectives of the scheme are to Strengthen the Eco clubs through action oriented activities, to sensitize children towards issues related to environment through field visits and demonstrations, to motivate and stimulate young minds by involving them in actionable projects related to environmental conservation. The following are the thematic areas in which Eco Club of schools and colleges may send their proposals for financial assistance up to rupees twenty five thousands. The thematic area(s) under proposal are:

1. Rain water Harvesting (Roof top/paved areas).
2. Development of herbal garden in school campus.
3. Demonstration of vermicomposting/other composting techniques in schools & colleges.
4. Solid waste management (Waste to wealth concept).
5. Any other innovative concept for conservation & protection of environment.

P.T.O.

In addition to these activities the school can also apply for roof top solar energy plant by providing suitable data like consumption of electricity units per month, roof area of the school etc. The Eco Clubs who have received funds under this scheme earlier, need not apply again.

Interested Eco Club of Schools and Colleges may submit their project proposal at the earliest

Yours sincerely,

(Nishant Thakur) HPAS
Joint Member Secretary
