Subject:-

Regarding verification of application forms of students/beneficiaries on National scholarship portal(NSP) for the session 2021-22.

Memo,

On the above cited subject, you are informed that the National Scholarship Portal has been opened from the month of August 2021 for the submission of applications forms by the students/beneficiaries under Pre-Matric Minority Scholarship and Pre-Matric Scholarship for Disabled Students on or before 30-11-2021 on NSP.

In this context, it has come to the fore that many students have applied for the above said scholarship scheme on National Scholarship Portal (NSP). But the process of verification of the application forms of the students has not started yet, as a result of which it shows pendency at your institute level for verification.

It is therefore, you are hereby directed to verified all the pending application forms of students/ beneficiaries on National scholarship portal at your institute level. Along with this you are also directed to submit the attested hard copies of students/beneficiaries application forms to this office after verification. So that the process of verification could be done at District level.

Dy. Director Elementary Education,
Una Distt. Una (H.P)
