Subject:-

Regarding verification of application forms of students/beneficiaries belongs to Minority Community on National scholarship portal(NSP) for the session 2022-23.

Memo,

On the above cited subject, you are informed that the National Scholarship Portal has been opened from the month of August 2022 for the submission of applications forms by the students/beneficiaries under Pre-Matric Minority Scholarship* and Pre-Matric Scholarship for Students with Disability on or before 15-10-2022 on NSP.

In this context, it has come to the fore that many students have applied for the said scholarship scheme on the National Scholarship Portal (NSP). But the verification process of the students application forms has not yet been completed/started by the institute, as a result of which it is showing pending for verification at your institute level.

Therefore, you are directed to verify all the pending applications of students/beneficiaries on the National Scholarship Portal at your institute level. Along with this you are also directed to submit the attested hard copy of the application forms of the students/beneficiaries to this office after verification. So that the process of verification can be done at the district level.

Any delay in this matter will be viewed seriously.
