No. 10179-90/MA-MC-I

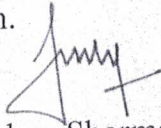

Dated: 25-9-2021

Subject:- Regarding organizing "Waste to Wealth (WoW) " competition as part of Swaran Jayanti Celebrations.

Sir,

As you are aware Himachal Pradesh is celebrating Swaran Jayanti of full Statehood this year and 75 years of India's Independence are also being celebrated as "Azadi ka Amrit Mahotsav". You are also aware that cleanliness is an important part of the various events planned during these celebrations. Solid waste management (SWM) has emerged as a big challenge in our country and there is an increased emphasis on segregation of waste. A very critical component of SWM is recycling of waste to take out valuable material and make useful things of everyday use out of such material. The idea is that waste also contains wealth which needs to be recycled back into the economy. A major awareness is required to be generated around this idea from school/college level.

You are, therefore directed to organise "Waste to Wealth" competition in all Government & Private schools & colleges of the District, as part of celebration of Swaran Jayanti of full Statehood and "Azadi ka Amrit Mahotsav". The competition should be organized in form of WoW exhibition at school level, block level & district level. SMCs, local public representatives & media/ press be involved in these exhibitions to give the concept wide coverage for awareness generation.
