Himachal Pradesh.

**Subject: Initiation of Student Detention Process Based on
Minimum Academic Performance**

Sir,

In view of the need to enhance the quality of elementary education and ensure that students attain the requisite learning outcomes, it has been decided to initiate the process of detaining students who do not meet the minimum academic criteria, effective from the current academic session.

Accordingly, you are directed to ensure that students who fail to secure a minimum of 33% marks in all compulsory subjects i.e. Mathematics, English, and Science respectively, be retained in the same class. They may be allowed an opportunity to attend the reappear examination to be conducted within the period of two months of declaration of result, in the concerned subject.

A detailed set of criteria and guidelines for the comprehensive future implementation of this policy across the State from the session 2025-26, will be communicated shortly. However, for the current session, you are required to initiate this process based on the aforementioned minimum academic requirement i.e. by way of identifying students who fail to secure the minimum 33% in all three compulsory subjects.

You are, therefore, directed to ensure proper documentation of detained students, including their academic records and remedial action plans and submit report of class wise students detained in your District to this Directorate within one week of declaration of final result.
