**Subject: - Implementation of "Mukhya Mantri Bal Suposhan Yojna" MMBSY for "Anemia Mukh Himachal".**

Sir,

It is stated that in order to tackle the problem of Mal Nutrition and anemia among the children, the State Government has taken a landmark decision to implement "Mukhya Mantri Bal Suposhan Yojna" (MMBSY) for "Anemia Mukh Himachal" with the coordination of three line Departments viz. Department of Health & family welfare (Nodal Department), Department of Women & Child Development and Department of Education (Elementary/ Higher) for which various District and Block level committees have been constituted for the effective & successful implementation of the scheme in the State.

In this regard, it is further stated that in order to implement the aforesaid programme in letter & spirit, the Department of Health & Family Welfare is launching a special health screening drive i.e. (Anemia, stunting, weight & height etc) of children from Pre-Primary (Nursery) classes onwards w.e.f. 15<sup>th</sup> - 30<sup>th</sup> June 2022 in all schools/ households in the State. For this purpose the Block Medical Officer's (BMO's) from Department of Health & family welfare will issue Block wise roaster for this special health screening drive of the children. Thereafter, this programme will be further implemented to all the targeted children as per approved guidelines & mandate of the Programme.

In view of the above, you are therefore requested to **extend full cooperation, assistance and coordination to the Department of Health & Family Welfare and Department of Women & Child Development for the effective & successful implementation of this programme.** You are further requested to ensure the coverage of 100% children under this programme and necessary instructions may be issued to all Blocks & Schools including private schools with the request that all targeted school childrens (Pre-Primary, Primary and Upper Primary as the case may be) mandatorily present in the schools during fixed date / day for their health screening and accordingly keep child wise record in the respective schools.

However, in respect of summer closing schools, the parents/ guardians of the children may be requested to send their wards/ children for their health screening to their respective schools as per roaster schedule issued by the Block Medical Officer's (BMOs) of the area concerned. However, the Nodal Teacher In-Charge of PM Poshan (MDM) Scheme of respective schools will be the Nodal Teacher In-Charge for the implementation of "Mukhya Mantri Bal Suposhan Yojna" (MMBSY) in respective schools.

**This may be treated as most urgent, time bound and be given top priority & personal attention.**
