In this regard, you are directed to issue necessary instruction to all the Educational Institutions under your control for the implementation of "Vittiya Saksharta Abhiyan". The purpose of this Abhiyan is to actively engage the students of schools and Higher Educational Institutes to create awareness amongst citizens about digitally enabled less cash society. It was emphasized that students have a great role to play in this transformation. Education Institutions should motivate students to act as volunteers who will be imparted relevant training. Each volunteer will educate and motivate a minimum of 10 families for adopting digital transactions. The detail of the scheme is available in the website of MHRD URL "<http://mhrd.gov.in/visaka/>."
