

Copy of letter No.-F.No.12-6/2015.RMSA-1 dated 15-01-2016 received from Govt. of India ,Ministry of Human Resource Development(Departments of Schools Education & Literacy)(RMSA-1 Section) through the Director Elementary Education Himachal Pradesh Shimla vide letter No. EDN-H(4)-46(Ele)SMC/2014 .

Subject:- Role of SMDC regarding Teachers engaging in taking private tuitions.

Memo:

1.As you are aware , the RMSA framework provides that every secondary school shall constitute a School Management & Development Committee(SMDC) at the school level comprising of representatives of local authorities, academicians, subject experts, officials, representatives of disadvantaged groups , women and parents/guardians of schools. Further , in case of composite schools,(i.e., a school having primary, upper primary and secondary section)only a School Management committee may be constituted which may also perform the functons of SMDC. In such cases a school building committee and an Academic Committee may also be constituted .

2. As per data available with us 25.12% of secondary schools in your state are having SMDC .It is requested to ensure that SMDCs are constituted in all the schools of the State , to facilitate community participation in the schools functioning .

3.Further, it is suggested that besides the planning and development functions, the School Management &Development Committees may also be requested to report instances of teachers engaging in private tuitions or private teaching activity. As the members of the committee come from different sections of the society , they are likely to be aware of such practices by school teachers. This information will help curb the pratices and facilitate consequent improvement in teaching standards in classrooms.

4.It is therefore requested that the School Management & Development Committees in your State may be asked to ensure that Government teachers devote efforts for improving the learning of students during school hours itself and report instances of Government teachers engaging in private tuitions or private teaching activity.
