Sir,

In reference to letter No. हि0शि0वो0संबद्धता(38)/2025-3564 dated 06.02.2025 received from Himachal Pradesh Board of School Education, Dharamshala-176213 through Director of Elementary Education HP Shimla vide office endorsement letter No.EDN-H(Ele)(4)-2024 dated 27-02-2025 on the above cited subject.(copy enclosed)

On the above mentioned letter, it is brought to your notice that the board frequently receives complaints that in recognized private schools under the Elementary Education Department from Class 1st to 8th are using textbooks published by private publishers instead of the ones prescribed by the HP Board books distribution center. This has resulted in additional financial burden on parents, as these textbooks are significantly more expensive than those printed by the Board. Moreover the quality of textbooks published by the Board is better than to those published by private publishers.

In this context, you are hereby directed to ensure that textbooks published by the Himachal Pradesh Board of school Education are utilized for instructional purposes. Furthermore, all schools obtain these textbooks only from the board designated book distribution centers in district. A photocopy of the bill duly countersigned by the HP Board books Distribution center, along with a class-wise list of students, must be submitted to the undersigned office up to 30-04-2025.

Non compliance with these instructions may result in the Education Department withholding considerations for the School's recognition for the upcoming session.
