This is with reference to the meeting held on 24th May,2022 at Deputy Commissioner office Una. The Ministry of Electronics & Information Technology is organizing camps to cover pending mandatory biometric updates and left out children in 1-2 months in the schools of District Una. Following may be ensured:-

1. Identify children without Aadhaar or Children above age of 5-15 years, who need Mandatory bio-metric updation (MBU).
2. Create awareness and spread a message among the parents of the students and studens to enroll for Aadhaar and get MBU's done. First time enrollment and MBUs are done free of cost.
3. Proper support to Aadhaar operators and provide required facilities such as table, chairs, power point and chairs for waiting etc. in an easily accessible room in the school.
4. It must be ensured that ECMP kits are fully utilized and information about movement of kits is duly informed to villagers and panchayats to enroll children for Aadhaar and encourage children to get Mandatory Biometric update (MBU) completed.
5. Class teacher/In-charge of the class to maintain record of students.
