IIITU/MERAKI'25/Exhibition/Invitation/2025

28, Mar. '25

Sub: Invitation to Participate in Project Exhibition at Meraki '25 at IIIT Una ... reg.

Dear Sir,

Greetings of the day!

Indian Institute of Information Technology Una is established as an Institution of National Importance under the Ministry of Education, Govt. of India by an Act of Parliament. It came into existence in the Academic Year 2014-15 and currently offers five UG programs each in Computer Science & Engineering (CSE), Electronics Communication & Engineering, Information Technology, CSE (Cyber Security), and CSE (Data Science) with a total sanctioned intake of 294 for AY 2024-25.

The Institute is pleased to invite all the schools of the Una district to participate in our upcoming technical fest, **Meraki**, scheduled for **April 2-4, 2025** (Invitation Attached). **Meraki**, meaning "to do something soulfully," is more than just a technical fest—it's an experience that integrates gamified learning, blending technology, and education in an interactive and collaborative environment. It features a series of exciting competitions, including intense programming challenges, hackathons, project exhibitions, and fun, game-inspired activities.

As part of this event, we will be hosting a **Project Exhibition** to showcase innovative projects and ideas from school students. The winners will be awarded exciting prizes. This will be a fantastic opportunity for them to present their projects, engage with peers, and receive valuable feedback from experts. It is a request to forward this invitation to all the schools under your jurisdiction in the Una district and encourage participation. Schools are requested to submit the following details for the five best projects in each of the two grade categories (Category I: **VI-VIII** and Category II: **IX-XII**) **on or before March 30, 2025**:

Student's Name/Names and Roll Number/s

Class

Project Title

Project Summary (Max 100 words)

Kindly use this registration link to fill in the above details- <https://forms.gle/T4MknFPvsvdppaVY8>

We look forward to the opportunity of welcoming young enthusiastic minds from all across Una to Meraki '25!

With regards

(Prof. Manish Gaur)
